

## Local Kite Contest Set

The annual Kite day contest, starting at 2 o'clock at Torrance Park, sponsored by the Torrance Recreation Department, will be staged Saturday, March 19th on in the Civic Auditorium

from 6 to 9:30 p.m. All fathers are urged to bring their sons or daughters to build a kite for entry in the Kite Tourney.

All materials will be furnished by the Recreation Department and many valuable awards will be given out Saturday.

## GUNMAN ...

(Continued From Page 1)

trouser pocket, thrust his right hand forward as if concealing a gun in his pocket and said,

"All right, this is it. Give me the money. I need it bad." "What for?" Wysocki asked.

"Hurry up" "Never mind. I just need it bad," the man replied, and then urged, "Come on, hurry up."

Wysocki, looking up quickly, exclaimed, "There's someone behind you!"

"Don't give me that . . ." the man snapped. Wysocki thereupon gave him all the money which the suspect stuffed into his coat pocket.

"Turn around and walk into the back room," he then ordered. Wysocki complied. Upon hearing the man leave, Wysocki rushed out of the room and saw the suspect drive off in a '51 black station wagon, make unknown.

The man was described as around 30 to 35 years old, 5'11", 160 lbs., brown eyes, brown hair, gray sport coat and slacks, light colored sport shirt, and slender build.

## C. OF C. . . .

(Continued From Page 1)

around the country, resides in Denver, Colorado.

He was a public relations officer in the United States Army, with a rank of major; manager of the Chamber of Commerce in Artesia, New Mexico; served as newspaper reporter, press and publicity agent; and has a B.A. and M.A. in social science and history.

Watson is married. He has no children.

Watson will assume the post vacated recently with the resignation of Dale Isenberg, former executive secretary of the local Chamber.

## LATE NEWS ...

(Continued From Page 1)

set for March 30 in Long Beach Superior Court, according to Det. Capt. Ernie Ashton.

**MORATORIUM LIFTED:** Moratorium on airport property not affected by the proposed Nike site was lifted by the City Council. This means developers may again negotiate with the city about airport property.

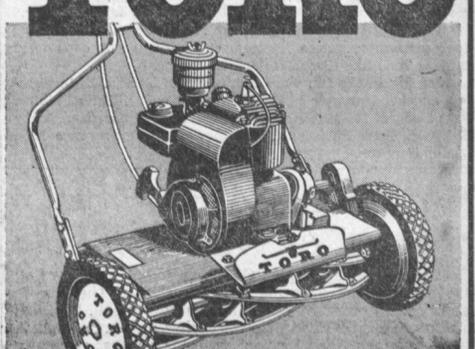

**CITY PARKING LOT:** A 2-hour parking limit will be placed on the city-owned parking lot at El Prado and Cravens avenue, according to action taken by the City Council.

hour parking limit will be placed on the city-owned parking lot at El Prado and Cravens avenue, according to action taken by the City Council.

**Safety On The Job**  
**2,500,000 MAN-HOURS WITH NO DISABLING ACCIDENTS**  
**1,500,000 Man-Hours And No Lost-Time Accidents**  
**24 Years of Accident-Free Labor Hours**

The "people of Union Carbide" referred to here will soon include the people who will operate the Carbide and Carbon Chemicals Company plant now under construction.

**Safety on the job is not accidental!**

ACCIDENT PREVENTION is serious business to the people of Union Carbide. They work with extremes of temperature and pressure in many fields, yet last year their overall record was 73 per cent better than for U. S. industry as a whole.

**1,500,000 MAN-HOURS** and no lost time accidents... 2,500,000 man-hours with no disabling accidents... 24 years, covering a total of 5,668,533 accident-free labor hours. These are but a few examples of safety records at various Union Carbide plants.

**IN RECOGNITION** of these achievements, Union Carbide was granted the 1953 Award of Honor of the National Safety Council.

But safety goes beyond the plant with the people of Union Carbide. In many areas, they have enrolled in home safety programs. Through these, whole families learn how to avoid accidents—in the home, on the street, at school, and at play.

**IN 1954**, Union Carbide plants received 133 awards from the National Safety Council. These awards, given in recognition of plant and home safety programs, included six Awards of Honor and nineteen Awards of Merit.

**THE PEOPLE OF UCC** are proud of these awards. But their greatest satisfaction comes from the knowledge that they are helping to increase safety—both on and off the job.
